

## Certificate of Analysis

|                            |                                                  |
|----------------------------|--------------------------------------------------|
| Product Name:              | Aluminum tert-Butoxide                           |
| Product Number:            | A20038                                           |
| Lot Number:                | C26PD924B                                        |
| CAS:                       | 556-91-2                                         |
| Formula:                   | C <sub>12</sub> H <sub>27</sub> AlO <sub>3</sub> |
| Molecular Weight:          | 246.33                                           |
| Storage at:                | 室温                                               |
| Quality Release Date:      | 2026-07-13                                       |
| Recommended retested date: | 2031-07-12                                       |

| Test                       | Specification                               | Result                                      |
|----------------------------|---------------------------------------------|---------------------------------------------|
| Appearance                 | White to Off-White or Grey Powder or Chunks | White to Off-White or Grey Powder or Chunks |
| Compleximetric EDTA (% Al) | 10.5-13%                                    | 12.86%                                      |
| Infrared spectrum          | Conforms to Structure                       | Conforms                                    |
