

## Certificate of Analysis

|                            |                                               |
|----------------------------|-----------------------------------------------|
| Product Name:              | Bis(trifluoromethane)sulfonimide lithium salt |
| Product Number:            | B50001                                        |
| Lot Number:                | C26PE841B                                     |
| CAS:                       | 90076-65-6                                    |
| Formula:                   | C2F6LiNO4S2                                   |
| Molecular Weight:          | 287.09                                        |
| Storage at:                | 室温 干燥                                         |
| Quality Release Date:      | 2026-08-28                                    |
| Recommended retested date: | 2031-08-27                                    |

| Test       | Specification            | Result                   |
|------------|--------------------------|--------------------------|
| Appearance | White Powder or Crystals | White Powder or Crystals |
| Assay      | ≥99.9%                   | 99.9%                    |
| F-NMR      | Conforms to Structure    | Conforms                 |
