|                            |                                                |
|----------------------------|------------------------------------------------|
| Product Name:              | Deoxynivalenol – 98%                           |
| Product Number:            | D60011                                         |
| Lot Number:                | C22PD529C                                      |
| CAS:                       | 51481-10-8                                     |
| Formula:                   | C <sub>15</sub> H <sub>20</sub> O <sub>6</sub> |
| Molecular Weight:          | 296.32                                         |
| Storage at:                | 2-8°C                                          |
| Quality Release Date:      | 2023-01-03                                     |
| Recommended retested date: | 2027-01-02                                     |

| Test               | Specification         | Result       |
|--------------------|-----------------------|--------------|
| Appearance         | White powder          | White powder |
| Purity(HPLC)       | ≥98%                  | 99.0411%     |
| <sup>1</sup> H-NMR | Conforms to structure | Conforms     |

Q.A.Manager:

Psaitong warrants, that at the time of the quality release or subsequent retest date this product conformed to the information contained in this publication. The current Specification sheet may be available at Psaitong. For further inquiries, please contact Technical Service. Purchaser must determine the suitability of the product for its particular use. See reverse side of invoice or packing slip for additional terms and conditions of sale.
